SAFETY PRECAUTIONS:
1. WARNING—When using this product, basic precautions should always be followed, including the following:
2. Device main unit contains an internal lithium-ion battery. Upon initial use or after a prolonged storage period, fully charge it once.
3. The unit’s full performance is achieved only after 2 or 3 completed charge and discharge cycles.
4. To reduce the risk of injury, close supervision is necessary when the product is used near children.
5. Do not expose the device to moisture.
6. Use of a power supply or charger not recommended or sold by device manufacturer may result in a risk of fire or injury to persons.
7. Do not use the device in excess of its output rating. Overload outputs above rating may result in a risk of fire or injury to persons.
8. Do not use the device if damaged or modified. Damaged or modified batteries may exhibit unpredictable behavior resulting in fire, explosion or risk of injury.
9. Do not disassemble the device. Take it to a qualified service person when service or repair is required. Incorrect reassembly may result in a risk of fire or injury.
10. Do not expose a device to fire or excessive temperature. Exposure to fire or temperatures above 212°F may cause explosion.
11. Have services performed by a qualified repair person using only identical replacement parts. This will ensure that the safety of the product is maintained.
12. Do not charge the device while using the device to charge another device. Do not charge the device for more than 4-6 hours and do not leave unattended.
13. Switch off the device when not in use.

FCC Statement:
1. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
   (1) This device may not cause harmful interference, and
   (2) This device must accept any interference received, including interference that may cause undesired operation.

   * Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment.
